6-time World Championship Team member
2014 Olympian-Sochi, Russia

Since my nomination to the team in 2006/07 season I have worked hard to climb the ranks on the world cup circuit. I have enjoyed many successes and defeats along the way which has helped me see sports from a wide variety of perspectives. I am continually working hard to fight for a medal in the 2018 Games in South Korea.

Brief statement of why you would like to run for this position:

I would like to continue my involvement at the board level and become an even more active participant once my athletic career comes to an end after the 2018 season. Having served on the board in the Athletes' Advisory Council as a rep for Ski Jumping/Nordic Combined for the last 3.5 years and on the compensation committee for the past year, I feel I have gained a detailed knowledge of the workings of the board and I would like to continue assisting the board with my experience as an athlete in Nordic Sports.

I feel I add a unique perspective to the board as an athlete who is not fully funded by U.S. Ski and Snowboard but is under the NGB umbrella. I believe I have represented both sides equally and while maintaining my fiduciary responsibilities to the sport as well as U.S. Ski and Snowboard. As a board member, I will continue to work for the athletes and the organization's best interests to truly make us "best in the world."

Thanks for your consideration.
